MacDowell Montessori - Milwaukee, WI

September 2012 to June 2016

## **SKILLS**

Cooking (3 years), Roofing, General Laborer, Construction Laborer, Forklift

## **ADDITIONAL INFORMATION**

I was the lead of my Aquaponics Team for 3/4 years of highschool. We hand built +150 systems from scrap wood and donated them to teachers and educators. While my teacher organized the club I spoke 1on1 with every educator we donated to. This, along with other volunteering gave me the social skills to be successful
