- Project Supervisor of LFSR installation (1 yr)
- Project Supervisor of Paper Converting Gen IV (1.5 yr) \$40 million project

MOST PROUD OF

TPM Implementation

Prior to 2017, role responsibilities were unclear at the facility. As a result, ineffectiveness reduced site volume. Our site has undergone an operational turnaround within 2 years. As a change agent, I am proud of:

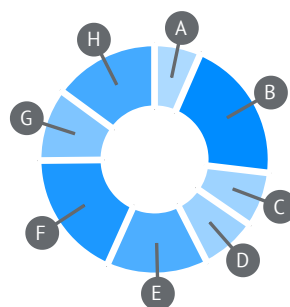

- Sponsoring hourly associate with defining roles responsibilities in AM
- True Efficiency improvements on lead line model driven by Pillars results
- 15% increased of volume awarded for the year 2019 driven by results

MY LIFE PHILOSOPHY

The highest levels of performance come to people who are centered, intuitive, creative, and reflective - people who know to see a problem as an opportunity.

Deepak Chopra

A DAY OF MY WORK LIFE

- A Review results from previous 24 hrs
- B Department Glmba walk
- C Measure TPM effectiveness/Health Check
- D Focus team on daily priorities
- E Develop/Review Master Plan Objectives
- F Value Stream Mapping Health check - 0 OOS
- G 1:1 w/ direct reports to review weekly progress
- H Reward/Recognize those following standards

EDUCATION

Chemical Engineering

Tuskegee University

📅 2008

STRENGTHS

Strategic Thinker

I operate under the PDCA cycle or managers mindset. I've consistently reached my targets P&G and PepsiCo by finding opportunities with the 8 types of waste

Creative

I've learned creativity comes from bridging a gap between 2 objects that are not connected. I've combined opposing departments to have a common objective to reach AOP/CBN goals
