EXPERIENCE

- 06/2015 to Current** **CNC Operator**
Hypro Inc. — Cedar Falls, Ia
Ran and set up lathes, also ran mills. I would set up castings run production, and train team members.
- 06/2014 to 06/2015** **Material Handler**
Ryder Logistics — Waterloo, Ia
Drove stand up fork truck along with a sit down fork truck, and brought material to be re-packed. Also used a SAP scanner throughout the warehouse.
- 05/2012 to 08/2013** **CNC Operator**
Accurate Gear — Waterloo, Ia
Set up and ran lathes, also mills. Used raw metal stainless steel, cast iron, plastics, bronze, and aluminum running both first and second operations.
- 08/2011 to 05/2012** **Production Operator**
Iowa Laser — Cedar Falls, Ia
Once my machine was done cutting parts I would clean them up, and drive a fork truck. I would then use a hand grinder and would remove the metal tab left from the laser cut.
- 02/2011 to 08/2011** **General Labor**
Advance Heat Treatment — Waterloo, Ia
Heat up parts to harden in oven, wire fixtures, also paint trash knives. I would then check hardness on a rockwell hardness test.

EDUCATION

- 2007** **High School Diploma:** General
Waverly-Shell Rock Senior High School — Waverly, Ia, Bremer
Graduated with high school diploma
