Work Experience

Lead Forklift Driver

Complete Warehouse & Distribution LLC - West Allis, WI

August 2015 to July 2018

- Adjust and maintain industrial machinery, using control and regulating devices.
- Inspect product load for accuracy and safely move it around the warehouse or facility to ensure timely and complete delivery.
- Manually or mechanically load or unload materials from pallets, skids, platforms, cars, lifting devices, or other transport vehicles.
- Move controls to drive gasoline- or electric-powered trucks, cars, or tractors and transport materials between loading, processing, and storage areas.
- Move levers or controls that operate lifting devices, such as forklifts, lift beams with swivel-hooks, hoists, or elevating platforms, to load, unload, transport, or stack material.
- Operate or tend automatic stacking, loading, packaging, or cutting machines.
- Position lifting devices under, over, or around loaded pallets, skids, or boxes and secure material or products for transport to designated areas.
- Signal workers to discharge, dump, or level materials.
- Turn valves and open chutes to dump, spray, or release materials from dump cars or storage bins into hoppers.
- Weigh materials or products and record weight or other production data on tags or labels.
