

Donald Woodson

Wacker Neuson assembler

Menomonee Falls, WI

donthadon8@gmail.com

414-213-1775

My objective is to obtain a career that exhibits my skills and aptitude while creating new challenges and opportunities that enable me to further my abilities towards my future goals. During my employment I have developed communication, problem solving, and efficiency both individually and in a team manner.

Authorized to work in the US for any employer
