WORK EXPERIENCE

Machine Operator

Moldrite - Woodinville, WA -

June 2018 to September 2018

Reading/comprehending technical work instructions. Inspected work quality and checked for FOD. Defect-free work, installed various parts and inserts. Carrying/Lifting up to 35 pounds. Handling, kneeling, bending, reaching, rotating, standing, twisting and walking. Worked on several different size plastic injector machines.

Kitting Finish Department

Canyon Creek Cabinet Company - Monroe, WA -

February 2017 to April 2018

Monroe, WA -February 2017 to April 2018

I organized all the reworks that needed to be done per day. Moved equipment, paints, stains around as needed. I was a Safety Lead. I got recognized in the news letter for an idea about causing less damage to the product. Filled in with sanding, cleaning pumps, sealants, coatings, primers, adhesives, paints and special finishes when it was needed.

Cashier/Customer Service

Walmart - Marysville, WA -

November 2016 to December 2016

Helping check out customers, help them with any problems.

Overnight Stocker/Cashier/ Safety Team Lead

Walmart - Monroe, WA -

September 2014 to September 2016

Stocked the store overnights, ran the cash registers, helped customers.

Supervised weekly Safety Meetings, and safety by associates on the overnight crew, with no accidents in 1 ½ years
