WORK EXPERIENCE

Machine Operator/Assembler

MEC - Greenville, MS -

February 2015 to Present

I would get the parts and put them in a bender machine. I know to use a Band Saw, Induction Brazer, Auto Welder, and a Beader.

Bartender and Server

Club 61 - Leland, MS -

May 2014 to Present

Responsibilities

I would make sure that my bar is clean and make sure that I have enough beer. As the customers come in I greet them with a smile and ask them what they need to drink.

Accomplishments

I accomplish that working as a bartender you get to meet different people and I learn that people like to have a good environment to come and have them a drink.

Skills Used

The skills are a smile and a good personality.

Framing Picture

Sporting World - Greenville, MS -

March 2010 to July 2014

Responsibilities

My responsibilities was to go to the back of the warehouse and getting the frames and glass to put the pictures together.

Accomplishments

I accomplish to do different pictures at a fast pace.

Skills Used

I was using a staple gun to put the picture and using a drill to drill the wire down with the screws to make sure the picture won't fall out of the frames.

Cook and Cashier

Burger King - Fayetteville, NC -

October 1999 to January 2006

Responsibilities

As I come in to work I was responsible getting the food together to be cooked for the customers.

Accomplishments

I accomplish to do my work and help other as well.

Skills Used

I used get the customers money and put it in the register and I also used to the the burger and put them through the grill and fix the sandwiches.
