WORK EXPERIENCE

Lawn Care Specialist

TruGreen - Milwaukee, WI -

March 2018 to July 2018

Provided Lawn care.

Packer / Operator

Medline Industries - Hartland, WI -

October 2017 to February 2018

I started off as a packer and worked my way up to operating machines. We worked with supplies for hospitals such as iodine, ultrasound jell's, shampoos, body wash and lotions. As a machine operator I learned all the basic functions of running the machines that put the products we packed into bottles, tubes and packets.

Warehouse Worker

GENCO Pharmaceutical Services - Milwaukee, WI -

August 2016 to July 2017

I process expired, recalled, and damaged pharmaceuticals.

I retrieve boxes full of pharmaceuticals, scan their tracking number and then began to key the products inside. When keying I enter the NDC number, the Lot number, and the expiration date. I also enter the products quantity, conditions and also the conditions of the packaging of the product. And after all that is complete I place the products in there correct tote/zone.
