## **Experienced Welder/ Fabricator and machine operator**

Fremont, OH 43420

[bconn9900@gmail.com](mailto:bconn9900@gmail.com)

5673149340

I am experienced welder/fabricator in search of a company to excel in and become a leader in my trade.

## Work Experience

---

### **Welder/Fabricator**

Standard Technologies - Fremont, OH

May 2018 to October 2018

I fabricated and MIG/TIG welded battery trays for several different companies. i am limited on what i can explain due to a non compete clause i signed when i was first hired in. please feel free to contact me and i can explain as much as i possibly can.

### **Machine attendant/operator**

The plastics group - fremont plastics - Fremont, OH

May 2017 to March 2018

I operated and maintained a plastic blow mold machine that produced various custom plastic products

### **Veterinary Assistant**

Paw patch veterinary service - Clyde, OH

November 2016 to March 2017

I assisted the veterinarian Laura hirt in surgery and other clinical operations and I also overseen the operations and care of the animals in the animal sanctuary located there.

### **Welder/Fabricator**

ThorWorks Industries (global technical recruiters) - Sandusky, OH

June 2016 to October 2016

I fabricated mild carbon steel trailers for SealMaster from raw structural steel to finished product.

### **Welder/Fabricator**

Northern Manufacturing Inc. - Oak Harbor, OH

April 2012 to June 2016

TIG and MIG welded food grade stainless steel and various other stainless steel projects from large grain hoppers to large air filters for industrial uses.

### **Welder/fabricator**

Standard Technologies - Fremont, OH

February 2007 to April 2012

I MIG fabricated mild carbon steel battery trays ranging from small industrial equipment up to large mining equipment. I also fabricated gas tanks for Jayco Campers and hydraulic tanks for Penguin Hydraulics. Various steels were used such as mild carbon, galvanized, and alumi-galvanized.

### **Welder/Signman**

R&R sign engineering inc.

June 2004 to November 2006
