Work Experience

Machine Operator/ Forklift operator

Innovative Fiber - Franklin, WI

July 2017 to Present

- Perform necessary pre-operation activities to ensure proper equipment startup and operation on multiple pieces of equipment.
- Communicate with team members and support teams to ensure continuous production of the correct product at high quality levels with minimal wasted time and materials.
- Assisted in materials loading and unloading on platforms and lifting devices.
- Selected orders from itemized slot picking tickets and loaded trucks with product as directed.

Repacorp /Aladdin Label - Milwaukee, WI

January 2017 to May 2017

Shipping & Receiving

- Examine shipment contents and compare with records, such as manifests, invoices, or orders, to verify accuracy.
- Record shipment data, such as weight, charges, space availability, damages, or discrepancies, for reporting, accounting, or recordkeeping purposes.
- Prepare documents, such as work orders, bills of lading, or shipping orders, to route materials.

Joseph Campione - Oak Creek, WI

May 2016 to December 2016

Production Packaging

- Perform quality checks on products and parts.
- Package finished products and prepare them for shipment.
- Rotate through all the tasks required in a production process.

Receiving Lead

Generac Power Systems - Waukesha, WI

March 2012 to March 2016

- Maintain a safe working environment by monitoring safety procedures and equipment.
- Review work throughout the work process and at completion to ensure that it has been performed properly.
- Inform designated employees or departments of items loaded or problems encountered.
