WORK EXPERIENCE

Wash Bay Technician

Arnold's Agriculture - Alden, MN -

August 2018 to September 2018

I wash tractors and combines, help put rippers together, and also make sure the trash cans are empty and the shop is clean. I know how to drive a pay loader and know how to operate a skid loader and forklift.

Laborer

Jensen family farms - Hartland, MN -

October 2017 to June 2018

I take care of the pigs, make sure they have feed and give the shots if needed. I also load the pigs when they are ready to go. During the summer I mow the sites and trim the weeds around the buildings.

Assembler

LARSON MANUFACTURING - Lake Mills, IA -

October 2016 to September 2017

Packaged storm doors. Cut parts for doors. Splined windows and framed them.

Awning Installer

Winnebago Industries, Inc. - Forest City, IA -

February 2016 to July 2016

Install awnings on motor homes. Also install spare tires.

EDUCATION

High school or equivalent in na

Albert Lea Senior High School - Albert Lea, MN

2007 to 2011

SKILLS

Assembly (2 years)

ADDITIONAL INFORMATION

I know how to operate most hand tools air or electric. I'm hard working and I also show up on time. I'm a fast worker and quick learner. I know how to drive a pay loader and operate a skid loader and forklift.
