Additional Information

Some experience in switch work, attaching cars and detaching them and setting brakes, moving cars in and out of the plant, I'm actively looking for a career and still working on the side in farm work or landscaping. To further my success I need a steady income and a good financial situation, therefore setting my work ethic standards well above average and striving towards my goals with persistence, punctuality, safety for myself and coworkers, always improving and just being the best I can be
