## WORK EXPERIENCE

### **Receiver/Forklift Operator**

General Pet Supply Inc. - Milwaukee, WI -

July 2018 to September 2018

<p>As my day starts at general pet supply I would start by grabbing a scanner and a forklift , I would go get the pallet of the P.O I am working on. Scan every item on the pallet and place it in the correct location.</p>

### **Dock Worker**

Semper FI (DHL) -

June 2017 to July 2018

Unload truck drivers as they come in, labeling the belt, watching packages through the x-ray, and or watching the X-ray, and loading the cans to be loaded on the truck to go on the plane.

I am a dedicated person / worker I'm always trying to find things to do when I'm able to, I get the rest I need and work until the job is done. In my free time I write for my book that I'm working on or I do a little poetry. If there is question I need to ask I am sure to ask them. I love to learn new things and have new experiences, life is a world full of adventures that I have yet to experience. I just see the time that I have now to work.

### **Ship Dock Worker**

Amazon -

November 2016 to April 2017

As a Ship Dock worker, I worked in a fast-paced environment driving forklifts, loading trucks, stacking pallets, and scanning bins.

### **Unloader/Sorter**

United Parcel Service - Elm Grove, WI -

July 2016 to October 2016

<p>In the unloader position I worked at a fast pace to unload Semi-Trucks as quickly as I could, taped up damaged boxes and continue to unload trailers.</p>

## **Cap team 2**

Wal-Mart - Germantown, WI -

September 2015 to May 2016

<p>Loaded, unloaded, and moved products and materials by hand or using basic material handling equipment. Maintaining dressing rooms, stocking the sales floor with new shipments of inventory, organizing sales floor, and keeping sales floor presentable for customers.</p>

## **EDUCATION**

### **projects and on worksheets**

James Madison High School - Milwaukee, WI

2011 to 2015
