## WORK EXPERIENCE

**machine operator, utility operator, mixer, acid filler, packager, material handler, janitor**

C & D Technologies -

January 2009 to February 2018

Close-out shipping and receiving/ 01-2009 to 02-2018

\* My duties were to check every order numbers, quality, quantity, product, and make sure it is weighed correctly on every truck. I checked paperwork and took photos of each load being sent out. I also was a machine operator, utility operator, mixer, acid filler, packager, material handler, janitor, and worked on the assembly line.

Falk Corporation -

February 1997 to September 2008

CNC Centering Mill/ 02-1997 to 09-2008

Duties were to program the machine for different sizes of parts for each order. I read blueprints and used measuring tools such as micrometers and gauges. I also operated edge grinders, Mills, lathes, cnc ban saw, overhead crane operator, drill press, welding operator, and material handler.
